

Curved Carports
Delivered Only

10 x 16 Price £1102.00

Eaves 192cm
Ridge 219cm

Clear polycarbonate roof panels that are high impact, shatter resistant and protect from inclement weather. Twin-wall panels maintain their integrity, provide complete UV blockage, and are 100% UV protected; they do not discolour, fracture or become brittle over time. Rust resistant, powder coated structure made of heavy duty aluminium frame

Integrated rain gutters

Sturdy poles and anchoring kit included

Ready to assemble - pre-drilled profiles, pre-cut panels, all securing hardware included

Safe, quick and easy DIY assembly

Requires a solid level surface and solid wall support.

Maintenance free
