PLEASE NOTE

Your Greenhouse will be delivered direct to your door by the manufacturers. Along with all other retailers who operate this policy, drivers are not allowed to accept payment.

We will therefore require full payment with your order.

If you require the Installation of your new Greenhouse, this can be arranged with our experienced contractor who will be pleased to quote for this service. Please enquire when ordering.

WHY YOU SHOULD OPT FOR TOUGHENED SAFETY GLASS

If you have pets , young children, or live in an urban area we advise you to upgrade to toughened safety glass purely because in the event of a breakage, the glass granulates and therefore removes any danger of injury.

Toughened glass is primarily in full length sheets which gives a much neater finish and also removes overlapping glass and therefore no moss or algae growth.
