The **Jasmine Plastic Shed** range from Haydock Garden Buildings is an ideal storage solution for small gardens. Constructed from virtually unbreakable double layered polypropylene panels. The reinforced, extra-rigid, aluminum frame and foundation kit supplied with expertly engineered panels creates a robust garden storage solution. The panels are UV-protected and will never rust, and maintenance required is kept to a minimum.

The Jasmine Plastic Shed is easy to set up with its easy-to-follow instruction manual. The door latch is padlock ready if additional security is required (padlock not included).

Designed with outdoor space in mind, the Jasmine Plastic Shed will compliment and enhance an outdoor living space.
